THE GRAVITY VAULT®
INDOOR ROCK GYMS

Basic Track

Basic Track is for beginner climbers who are interested in taking their climbing to the next level. They need to have a basic knowledge of top roping and bouldering, as well as have the ability to effectively use their feet to position their body while climbing.

Saturdays 9am-11am

Recreational Track

Recreational Track is comprised of individuals who have well-rounded climbing technique. They will undergo an intensive training program that includes: stretching, power training and climbing with the goal of advancing to Competitive Track.

Tuesdays 6pm-8pm | Thursdays 6pm-8pm | Saturdays 11:30am-1:30pm

Competitive Track

Competitive Track climbers follow a rigorous training program geared towards competing at USA Climbing Youth National level. They will be given workouts to maximize their strength, stamina, technique and problem solving skills.
